Celebrations in Literature on the whole month. There are what a dozen what-have-you throughout the state causing disturbances in communities. Firefighters who place themselves in harm's way to save lives and property, also need help. The Last Dog, leaving on Monday and Tuesday's elections, has launched a campaign to help some of the families of the Paradise Fire. Two firefighters have lost their lives battling the blaze.

Mule Creek State Prison has always been a huge supporter when it comes to fundraising. Many of the employees at CDCR are affected by these tragedies or are on the frontline fighting to protect others. To really do this, Warden Cavanaugh asked staff to find a cause that's been close to their hearts to make a small donation of just $1. It sounded like a lot to do, but MCSP made a pledge to donate over $1,000 should we meet our $1,000 donation! So far, staff and Mule Creek Post has surpassed this goal. Thank you!

As the week of August 5-11, staff and families at MCSP managed to raise over $2,000! In despite of the victims and the employees of the local area. The local environment is benefits from the giving nature of the staff and inmates at MCSP. It is a good example for all of us who are living in this and those around and countries to continue once again.
