NATIONAL CRIME VICTIMS' RIGHTS Week is a time to remember the victims of crime. This year's year book is a celebration of the 10th anniversary of the Journalist Association of Northern Illinois College and the NCJN 2019.

In 1992, the President's Task Force on Victims of Crime established a national committee to study crime victims and to make recommendations to Congress. This committee was created in 1992 through an executive order by President George H.W. Bush.

In 1992, the President's Task Force on Victims of Crime established a national committee to study crime victims and to make recommendations to Congress. This committee was created in 1992 through an executive order by President George H.W. Bush.

The committee's report, "The Crime Victims' Bill of Rights," was released in 1994. It called for a number of reforms, including the creation of a national crime victims' fund, the establishment of a national crime victims' center, and the creation of a national crime victims' council.
